

To Whom It May Concern:

I benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides me with variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160, and to support XM's ability to provide the kind of programming that I demand and deserve.

Respectfully,
